Basic Connection Services – Application Form

Type of Connection Service

New Connection Connection alteration Connection including embedded generation

Please provide details of your required basic connection service. A summary of basic connection services offered can be found in the model standing offers for basic connection services with and without embedded generation published on our website:

www.powercor.com.au or www.citipower.com.au:

Provide a description of the connection you require:

Acceptance

I request a written basic connection service offer to be provided to me. I understand that it may take up to 10 business days for the written offer to be provided to me following the receipt of a completed application form and I have up to 45 business days to accept the offer. Once I have accepted the written offer, the connection service will be performed within 10 business days of the receipt of the accepted offer.

I would like to receive my written offer via email
